We cordially invite you to the online workshop series "Get involved! Political Participation and Empowerment" in October 2020.

The workshop series is primarily aimed at LGBTIQ+ refugees and asylum seekers who are or want to become politically involved. The workshops will take part in small groups and will deal with the following questions:

How do political processes work in Germany? How can I make my demands public? How do I find allies? How can I use social media strategically?

There will be plenty of space for questions and exchange.
